Patrick & Kaci have been a big part of Legacy Church almost from the beginning. Their passion to see teens experience the love and peace of God has made them perfect leaders in our Student Ministry, The Octagon. Patrick & Kaci also serve on our Worship Team where they lead our congregation into the presence of God each week.

Their influence at Legacy and in the Princeton Community has been far reaching ...They are an amazing couple and we are so blessed to call them friends. *Thank You for your Heart for the Kingdom!*
